Memo to Actg Comptr from JFBlake, EO  
Subj: Activation of F M S A C, DDS&T  
Ref: Memo to DDCI from DCI dated 21 Oct 63

1. By verbal authorization on 15 Oct 1963, and as subsequently confirmed by ref memo, the DDS&T has been directed to activate a new unit of org. This new unit has been referred to in the DCI memo of 21 Oct 63 as the "Foreign Missile and Space Analysis Center."

STAT 2. During the discussions of 15 Oct 63 mentioned above, it was agreed by the DDCI and the DDS&T that this new unit of org wld be authorized during the current FY a minimum [redacted] The DDCI acknowledged that the resources represented by these authorizations are not available within the current totals authorized for the DDS&T and accordingly, will be made available to the DD/S&T. The DDCI indicated that [redacted] wld be made available to the DDS&T from the Agency Deferred Fund. STAT

STAT 3. While it is impossible as yet to predict firmly needed personnel and monetary allowances for FY 1965, the DDCI was made aware that for planning purposes a personnel allowance of [redacted] shld be considered necessary for FY 1965. Inasmuch as the DDS&T budget for FY 1965 has already been submitted to you, your advice is requested as to how best to proceed to include this requirement in our FY 1965 needs. The same lack of available resources to meet this need as exist in the current Fiscal Year is also applicable in FY 1965.
